Elements for drainage channels

1 TECHNICAL SPECIFICATION

This product certificate relates to the elements for drainage channels produced by the certificate holder and to the associated product characteristics. The products are intended to be used as part of a drainage channel for the collecting and transporting of waste water in the following application area:

- Pedestrian areas and areas with traffic load.

The following products are covered by this product certificate:

SF 100	KE 100	KF 100
SF 150	KE 150	
SF 200	KE 200	
SF 300		

2 QUALITY MARK AND INDICATIONS PLACED ON THE PRODUCTS

The products are marked by means of:

- The KOMO® indication or the KOMO® quality mark followed by the certificate number. The official KOMO quality mark is shown and executed as follows:

K41786

- Factory brand or factory name
- Production code or production date
- The production location
- Designations of traffic class according to (NEN-)EN 1433

If applicable

- Order of the elements with built-in gradient

3 PRODUCT CHARACTERISTICS

The product meets the product characteristics as laid down in BRL 5211.

4 TIPS FOR THE USER

Check on delivery of the products listed under the "technical specification" whether:

- The product(s) and material(s) ordered are delivered in accordance with the agreement you made.
- The brand and the method of marking is correct
- No defects or damage is visible (for example, resulting from the transportation).

In the context of this product certificate, no checks take place on the accuracy of the performance of the essential characteristics.

The statements in this product certificate may not be used to replace the CE marking and/or the corresponding Declaration of Performance.

If on the basis of the foregoing you decide to proceed to rejection, please contact

- ANRIN GmbH te Anröchte;

And if necessary,

- Kiwa Nederland B.V.

Carry out the storage, transport and processing in accordance with the documents of the certificate holder.

Check whether this product certificate is still valid, consult the website www.kiwa.nl.
